### **The Story of Kingsbridge South**

Kingsbridge South is a growing community situated outside the primary urban area of Amherstburg. Kingsbridge South is close to many Primary and Secondary schools, many amenities such as grocery, banks, shopping and restaurants. Amherstburg is quaint waterfront town, rich in cultural history, giving this town many tourist attractions, including Navy Yard Park and Fort Malden. The area also prides itself in the amount of greenspace for the outdoor enthusiasts, including Holiday Beach which is considered North America's premiere spot to view the fall migration of birds of prey during the Festival of Hawks each year. Come tour the lovely countryside as we visit the estate wineries of Beautiful Essex County. Located on the 42 parallel, Essex County Wineries are equaled distant from the equator as Italy, France and the great wine regions of California. We currently feature 17 wineries and 14 breweries located in the emerging Windsor-Essex County craft brew region.
